

E-Bulletin for Children and Young People

Issue 1 June 2023

Hello! This is the first issue of a new e-bulletin for Staffordshire children and young people. We will create a new e-bulletin every 3 months full of information about advocacy, your rights, things that are available for you and each issue will feature a creation from one of our readers who would like to share their talent! This is your e-bulletin so if there is something you would like to see in it please let us know on the contact details at the bottom of this page. Happy reading :)

How can an advocate help?

One young person who had an advocate to support them in their meetings told us:

"Thanks for all your help ... you've supported me through all this, when I've been angry and stuff, I appreciate it".

Your inspiring artwork:

"Hi, my name is Beth and these are my images. Photography is one of my favourite hobbies because of the escapism and joy that I feel from using my camera. My favourite types of photography are landscape and nature, because you can really zoom in on the beauty of nature and the world that we live in." BETH DAVIES
